

1771 Node Adapter Kit

Catalog Number 1771-NAK/A

About This Publication

This publication contains important information about the contents of your node adapter kit. This component kit contains the following:

- 33 application-specific integrated circuits (ASIC)
- 33 transformers
- 33 crystals

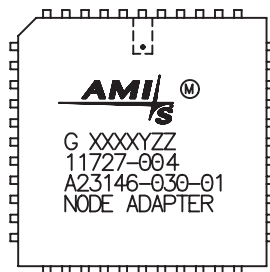

Dual Part Numbers for Integrated Circuits

The 1771-NAK/A kit can contain either or both of the following Rockwell Automation integrated circuit part numbers:

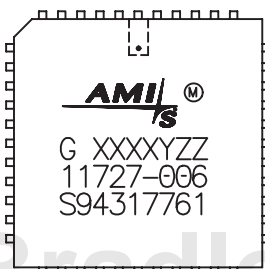

- 23146-030-01
- 94317761

Both parts contain the same integrated circuit and are mechanically identical. Both parts are produced by the same manufacturer.

The parts are marked with vendor name (AMI), date code (G code), 11727-00n number, and RA part number.

The 23146-030-01 ASIC is marked with RA part number **A23146-030-01**.

The 94317761 ASIC is marked with RA part number **S94317761**.

Allen-Bradley Parts

IMPORTANT

This information applies only to the application-specific integrated circuits (ASIC).

- The ASIC packages are MSL-3 (Moisture Sensitivity Level 3).
 - Store in a low-humidity, room-temperature environment.
 - Remove from carrier and bake to remove moisture prior to use.
 - Use ESD protection methods when handling parts.
-
